Listening To God

Familiarity, in the case of the Lord's Prayer, probably hasn't bred contempt in most of us, but it certainly can breed a kind of inertia. The words we speak in prayer run the same risks as all our other human words: they can be spoken hastily, thoughtlessly, carelessly. In a manner parallel to the words we say in the Lord's Prayer—"forgive us as we forgive others"—today might be the day to invite God to "listen to us as well as we listen to you." Today might be the day to listen to the Lord's Prayer with newly attentive ears.

Let us learn from the example of Luke's Jesus, who would not instruct others how to pray until he himself had been a man of prayer. Moreover, listen carefully to the follow-up Jesus gives for the prayer itself. In our quick-fix society we must heed the call to persistence; in a world that puts glib explanations on difficult situations we must continue to seek and knock; in our all-too-humanness, we must be open to the patience, grace, and wisdom of the will of God. Do we want the Lord to listen to our voice? Maybe we can start by listening to God's. © Copyright, J. S. Paluch Co.

The St. Vincent DePaul food pantry is currently experiencing an extreme shortage. Their current donations are down and their current need has increased with our state of economy. If possible, please leave nonperishable items in the gathering space. Thank you in advance for your generosity.

Parish Picnic News

Save the date! The annual Parish Picnic will be held Saturday, August 28. More details in the coming weeks.

The Catholic Corner

Bargain

The gospel today reminds us of how to pray.

We should carefully discern what to pray about and not try to make promises to or bargains with God. How does my prayer life deepen my relationship with Christ?

R.C.I.A. Program

Program

If you are interested in the Catholic Church, think about participating in the **Rite of Christian Initiation for Adults**. The R.C.I.A. is a formation process designed for individuals who are interested in learning about the Catholic Faith and possibly becoming Catholic. In combination with prayer and scripture, presentations and discussions, adults have the opportunity to learn about the beliefs, traditions and practices of Catholicism as well as sharing their faith journey in a community setting. Please contact Alice Martin for more information. 585-1257 or alicemartin@hspgeist.org

Inquiry Meetings

We will have information sessions this summer called Inquiry. These meetings are opportunities for individuals who are interested in Catholicism to ask any and all questions about the Catholic Church. Sessions are not sequential and you may come to any or all of the meetings. Our next Inquiry Meeting will be held on Monday, August 16 at 7:00 PM in the Parish Life Center. If you'd like more information, please contact alicemartin@hspgeist.org or 585-1257x121.

Team

Each year, about 20 – 25 people represent our faith community in the R.C.I.A. Program by participating as team members. Team members make a commitment to: attend the presentations, support, pray for and encourage each of those who are thinking about becoming Catholics as well as each other, act as discussion facilitators and help with "housekeeping." Interested? Please contact Alice Martin, 585-1257/alicemartin@hspgeist.org

Thinking about Separation or Divorce? – Is your marriage or that of a relative or friend heading for divorce? Retrouvaille is designed to help troubled marriages regain their health. It helps spouses uncover or re-awaken the love, trust, and commitment that originally brought them together. The program is highly successful in saving hurting marriages, even bringing reconciliation to couples who have already separated or divorced. For information about or to register for the program beginning with a weekend on Aug 6-8 call 317-489-6811 or visit the web site at www.HelpOurMarriage.com.

School Supplies

There will be a school supply collection beginning July 24 through August 15. Items can be placed in the gathering space at the back of the church. Don't have time or desire to shop? Please consider contributing cash. The best way to end poverty is by supporting education. Even if only one child learns more and is able to make a better living because of your donations, it will save thousands of poverty subsidized dollars...and the hope it gives is immeasurable.
